## Temporary Construction Closure Set For Northern CCT

Construction is underway on the Dulles Corridor Metrorail Project adjacent to the northern section of the Cross County Trail (CCT), located on the Dulles Toll Road in the Difficult Run Stream Valley Park in Dranesville. As a result, the section of the CCT under the Dulles Toll Road will be closed to all traffic now through November 5, 2010.

The contractor, Dulles Transit Partners, of Vienna, VA has mobilized at the site and will continue work through the fall. Construction of a rail bridge, abutments and piers are planned. Park patrons are advised to avoid this area and obey all posted signage during construction. Following construction of the rail project, the Fairfax County Park Authority will begin a previously planned project to improve and resurface the trail under the Dulles Toll Road.

For more information and questions regarding the Dulles Corridor Metrorail Project, please contact the Metropolitan Washington Airports Authority at 703-572-0506. For trail and FCPA project information related to this area please contact Project Manager Thomas McFarland at 703-324-8688.

###

If accommodations and/or alternative formats are needed, please call (703) 324-8563, at least 10 working days in advance of the registration deadline or event. TTY (703) 803-3354.
